O.S.Y **School of Biblical** **education & Judaic** **studies program**

What does OSY have to offer the hungry student?

Osy is a Jewish Christian evangelistic ministry outreach. Its branch of the biblical school program offers Old and New Testament subject studies. All taught to you from a Jewish perspective.

The biblical school program is offered and is supported by students. It also is open to any student, lay persons etc. for the goal purpose of evangelism, learning, deeping, understanding, and communicating biblical truth properly to all people starting with the Jewish person first, and then to the rest of world (Rom 1:16).

OSY Biblical studies in the Tanach (OT). Below is what we offer on Old Testament study.

Typological studies:

1. The Messiah in Mishkan (Tabernacle)-This is an in-depth course in (Exodus 27-thu 30) on how the Messiah fulfills all the types, and symbols of the tabernacle in the wilderness. Learn about the Messiahs ministry roll, priestly office and kingly position through the tabernacle and its system.

2. The Messianic significance of the feast of Israel -This is a course on (Lev 23) which deals with all 7 biblical feast. Learn all about G-d's program for man through the life of the Messiah. Learn how the gospel and the future is found within the feast and much, much more.

3. Pictures of the Messiah in the Hebrew Alphabet. This is a course on the Hebrew alphabet learning about the letters, pictures & symbolic meanings of the Hebrew alphabet which relate to the Messiah. You will also lean how to pronounce, study and read basic Hebrew from scratch.

Messiahology- (Christology):

1. Messiah Revealed in the Tanach (OT)- This course deals with specific messianic passages from Genesis all the way to Malachi which reveal who the Jewish Messiah was and is. Learn about the Jewish objections to Jesus in this study, and learn what Judaism says today on the issue of the messianic passages. Also learn how to share the messianic passages with a Jewish person. Learn about the future of the Messianic era ahead.

Topical Studies in the Tanach (OT):

1.15 names of G-d found in the Torah - This is a 2hour course on the names of G-d. Learn how to pronounce the Hebrew names of G-d properly. Learn if the names

are G-ds indeed or were they something else?

Expository Studies in the New Covenant-

This section covers osy's studies in the B'rit hadasha (NC)

1. Understanding the letter to Hebrews-this course deals with the book of Hebrews. Learn the writer's signification to the Hebrew community of his day. Understand all the shadows of the Messiah in the writer's message.

2. The Parabolic teachings of Yeshua rabinu (Jesus our teacher)- This course covers all parabolic teachings of the Messiah. Learn in-depth the real reasons and lessons of the masters teachings. Understand the Jewish meanings of what Yeshua said and did, verses what some misinterpret from western ideas.

3. Spiritual gifts to the Messiah's body (1Cor 12)-This is a course on the spiritual gifts of body of the Messiah. Understand where the gifts fit in or are they valid for todays people in Messiah? Learn what the gifst are and what they do.

Character studies:

1. The Jewish life of Rav Sha'ul-This is a in-depth course on the Jewish life of rabbi Sha'ul (Paul). Learn about this complex figure or a man. Learn what he taught, verses what he did not. Understand the miscommunications of his teachings in westernized minds and much more.
